

Ravi Kumar S/o Sh. Sitaram Paswan belongs to schedule cast and economically very poor. They are a resident of ward no. 10, Salampur of Barh District Patna. Having completed his graduation in Arts, he wanted to join as a sales assistant in a nearby town. The owner wanted to record all his sales as well as expenses in computerized formats. He did not get the job because of not having any knowledge of computers. Many educated students from villages facing this type of problem.

Ravi approached our training centre and shared his problem with our centre manager. Since he is very poor, he was not able to pay the training fee. Management of Balajee Sewa Sansthan arranged his fee; He learnt not only the basics of computers, but also MS office and became an expert in tally system of accounting. Balajee trains needy youth to become skilled, productive and creative in computer related jobs in our centre.
