Message from the Executive Director

With the turn of this year, it gives me immense pleasure to present the BALAJEE SEWA SANSTHAN (BSS) Annual Report for 2019-20, which provides a glimpse of what we did and achieved this year through our synergized effort.

This year has been remarkable in many senses as we have been able to serve much more people than before and had the opportunity to build new promising partnerships and associations. This year has been very fruitful for the organization in many ways at several level.

It is equally satisfying to see BSS's increasing ability to handle multiple projects through the skilled and dedicated team it has been able to build. It is encouraging to note that this year we have implemented some projects and initiatives. We continued and implemented with all activities as in the past and added few more programs. Tobacco Control Program, Micro Finance, Micro Insurance, Financial Literacy Trainings, Health and Sanitation, HIV Awareness, SHG Formation and their bank linkages, Solar Lamps distribution and Consumer Awareness programs, Digital Financial Literacy programs etc.

Quality, credibility and transparency are not just the technical jargons for us. We make sure that they are observed in our day-to-day practices. In the coming year, we look forward to expand our work and services to new potential locations with the same values and spirit.

It gives me immense pleasure to share that we have received **Iconic Achievers Council Award 2019, New Delhi**. We received this award for our outstanding work in the field of social sector providing multi-door step services to the poor beneficiaries with very impactful work for the social change

Admittedly, what we achieved this year could not have been possible without the constant support of our dedicated partners and donors. With the end of this successful cycle, please join me in appreciating and recognizing the contribution made by our frontline workers, donors, government functionaries and board members. We are grateful to have such a dynamic team, generous donors listed at the end of the report, and our collaborating partners. We heartedly laud their valuable support.

With all the best wishes,

Awadhesh Kumar
Chairman cum Executive Director

HIV-AIDS (Target Intervention) Program

Uttarakhand State Aids Control Society has entrusted us the project to locate, identify and provide HIV/AIDS Health related services to 15000 migrant workers and 5000 Truckers in Dehradun while working with 5000 transit population in Ghanshali in Tehri district. NACO had established Uttarakhand State AIDS Control Society in 2001 perceiving a severe need in this field of work. USACS has chosen to Balajee Sewa Sansthan to work under target interventions program since 2011.

Targeted interventions are a resource-effective way to implement HIV prevention and care programmes in settings with low-level and concentrated HIV epidemics. They are also a cost-effective method of reaching people who are most at risk in more generalized epidemics. Targeted interventions are aimed at offering prevention and care services to high risk populations (Female Sex Workers- FSW, Male having Sex with Male- MSM and Injecting Drug Users- IDUs) within communities by providing them with the information, means and skills they need to minimize HIV transmission and improving their access to care, support and treatment services.

Targeted interventions

- are for people within the community who are most at risk of HIV and STI infection.
- are targeted to behaviour and practices not the identity
- involve them and their issues within the broader frame work of interventions
- are adapted to be culturally and socially appropriate to the target audience.
- focus on limited resources and where they can be used to the best benefit.
- acknowledge that barriers to accessing health-care services exist for some populations within communities.
- acknowledge that people who are at risk of HIV infection are often marginalized from the broader community, stigmatized and discriminated against.

Apart from prevention of HIV infection, TIs facilitate prevention and treatment of sexually transmitted diseases as they increase the risk of HIV infection, and are linked to care, support and treatment services for HIV infected. The TI is implemented through the NGOs. We have been entrusted with working with the migrant population in Dehradun. Dehradun, being capital has become major hub of employment having thousands of migrant laborers. Lot of industries has come up in Selaqui attracting manpower from other states too. Many service , malls, big brands retails and Transport Nagar, ISBT, etc have come to the city after becoming the capital Main labour source are: UP (56%), Bihar (38%), Uttarakhand (4%), Other (2%). Most of the migrants work as labourer and mobility to their home states is twice a year. While singles frequently changes job and move more often, married mostly stay at their workplace and visit their home states once a year at festive seasons.

Water & Sanitation Program: Construction of Low cost Toilets for the Poor Family

In 1999, the Indian government introduced the Total Sanitation Campaign (TSC) to accelerate sanitation coverage throughout the country, particularly in rural areas. Despite efforts of government and non government agencies, people in most of Indian villages still go to fields to defecate. Most of the medium class families have a toilet in their houses but the poor are still deprived of this basic necessity.

Balajee Sewa Sansthan is constructing low cost toilets in Patna & other districts of Bihar. The poorest of the poor are selected for constructing toilets in their houses. Poor having no disposable funds can contribute to the toilet construction through labor. Balajee has wide experience of construction of low cost toilets and so far constructed more than 2000 such toilets in 32 villages in 3 district of Bihar Constructed in last 8 years. In the year 2019-20, the organization with the help of there volunteer have constructed 30 toilets. For the construction of these low cost toilets the organization receive donations from Give India Platform.

Groundbreaking ceremony of Toilet Complex

Under construction in Mar

The Government Inter College, Badowala was taken up for the construction of toilets complex for 496 students (for both boys and girls) and for 22 staff by Habitat for Humanity. The groundbreaking ceremony for the construction of toilets for student was held at designated spot in the GIC premises by Regional head of Indo Star and Principal of GIC Badowala in Doiwala block of Dehradun district.

Self Help Groups Promotional Activity

A **self help group** is a rural poor group of **10-20** member constituted to organise themselves to eradicate poverty. Balajee Sewa Sansthan has formed more than 625 SHGs till the year 2019-20 by the financial support of NABARD, Dehradun & Lucknow Region. BSS all ready formed and linked with Bank of 50 SHGs of BPL family for DRDA Dehradun in Sahaspur Block. In last Year more than **115** lakh saving created by SHG members and utilizing for inter loaning among the member as per her needs and requirements

Objective of SHG:

Self Help Group Meeting in Bareilly and Dehradun district

Self-help group encouraged the women to save what little they could save, presently a minimum of 100 rupees each woman is saving, group members are involved in resource-sharing to make investments that have completely changed the prospects of the village's families. BSS focuses on women because they are disproportionately disadvantaged among India's poor—and extremely effective at creating change in their communities.

Credit Linkage:

More than 350 Self Help Groups credit linked with bank and disburse more than 260 lakh loan among them for their income generation activities. Balajee organizing group leader training as well as financial literacy training to the SHGs members. The concept of DBT has made it compulsory for all eligible people to give account with banks. The relative advantage of Uttarakhand Gramin bank and other nationalized bank of insurance of Rs. One lac in case of accidental death for all savings accounts holders was explained.

The team explained them the power of savings avoiding wasteful expenditure and build capital for a better future. Importance of Thoughtful borrowing, securing future by life and medical insurance and investing the hard earned money wisely. All they require is analyzing their needs, make a distinction between the need and desire, avoid wasteful expenditure and save for the future. A saving whatever small is a source of tremendous self confidence and helps in creation of wealth over a period of time. People who could not afford any initial amount to open account with Banks were advised to open NO Frill Savings bank accounts with Bank.

Impact : Within the span of 7 years of self-help groups, a powerful transformations in the women of different groups are visible. It is observed that they shed shyness and hesitation to become keen representatives for their communities' rights and aspirations. They are becoming more independent and confident. Till March 2020 more than 5000 women women become micro-enterprenure in her own home-based work and get self employment as well as many women empowered through this program.

Farmers Club Promotional Activities

Agriculture is the backbone of the Indian Economy as nearly 60% of the population of the country depends on agriculture directly or indirectly. Government has also declared to double income of the farmers in next three year. There is, therefore, an urgent need to provide package of initiatives for transfer of technology, improving input use efficiency, promoting investments in agriculture both in private and in public sectors and creating a favorable and enabling economic environment. The emerging needs in agriculture sector now are adoption of location specific skill and knowledge based technologies, promote greater value addition to agriculture produce, and forge new partnerships between different stake holders and making farming competitive as an occupation.

NABARD has taken an initiative to organize farmers in a semi formal group as Kisan club mainly to bring latest agriculture techniques to the their field, adoption of latest post-harvest handling technology, value addition, etc. and enjoy the benefits of collective bargaining power both for procuring inputs and selling their produce.

Balajee Sewa Sansthan is promoting 30 Kisan clubs in Dehradun district where more then 20 village and 1000 farmers cover under this program. by the financial support of NABARD. The NGO has a network of SHGs in a number of villages in Dehradun district. Through these SHGs we identified villages where the farmers have an progressive approach and can be mobilized to form an organization to discuss about different way of farming and supporting activities. Our field functionaries arranged meeting of the farmers and told them about the concept and benefits of the clubs. Interested farmers were identified and a group was formed to be known as kisan club of that village.

Regular meetings:

Members of the club are meeting at least once in a month. Non-members are also invited to attend the meetings. Besides agriculture they also discuss socio-economic developmental activities like community works, education, health, environment and natural resource management etc. The objective of formation of such group is to make technology available to all villagers and keeping that in mind non members too, are encouraged to attend the meeting of the clubs and give their suggestions.

Functioning of Kisan Clubs& Meetings with Experts.

Thereafter, as per the guidelines given by NABARD, accounts were opened in the service area banks, started their functioning, monthly meetings arranged, experts in agriculture and non-agriculture as well as Veterinary Doctor& Agriculturist from Krishi Vigyan Kendra, and Agriculture officers from Sahaspur, Doiwala and Vikasnagar Blocks were also invited in the meetings.

Farmers Producer Organization (FPO) Promotional Activity

The broad objective of the Fund is to build, promote and nurture Farmer Producer Organizations (FPOs) by way of extending the required financial & non-financial support during the nascent/ formative stage. It is critical to support FPOs in terms of awareness creation, capacity building, technical support, professional management, market access, regulatory requirements, etc. and provide handholding support for a minimum period of 3 years and the same is met as grant under the Fund. The requirement of the FPOs for their business has to be met out of their own funds, equity, credit, profit generated, etc.

Balajee Sewa Sansthan is promoting One FPO in Doiwala village of Dehradun district where more than 6 village and 330 farmers cover under this program. by the financial support of NABARD. Doon farmers producer company ltd registered under company act and working in Doiwala block of Dehradun district. Main activities of the FPO is dairy product as well as also marketing of the farm products like pulses, rice, spices, vegetables etc... Organization also get sanction for formation and nutrition of 2 new FPO in Sahaspur block of Dehradun district.

In the FY 2019-20 Doon farmers perform very well and still maintain the A ranking as per guide line of NABARD. Company has continued in profit in the 4th FY audited accounts and self sustainable and independently running by the members very well.

Doon Farmers FPO Visited by Hon'ble Chief Minister of Uttarakhand and DGM Bird Lucknow

Doon Farmers Producer Company Ltd is a farmer producer organization registered under companies act 2013 who is working for the benefit of his/her share holders. Registered office situated at Nakrona near Gullar Ghati chowk, in Doiwala block near about 20 km distance of Dehradun main city in Uttarakhand. Currently more than 329 members are share holders of the FPO while 6 board members are selected among them. More than 90% members are women and who is directly involved in Animal husbandry and dairy activities. Specific idea of developing a women centric organization is to instill confidence among the home makers to unite themselves, make an organization, run it and take decision on their own and also to give employment to idle hands.

Many interns from India and different countries visit BSS every year. Approx more than 60 Interns visited and work with FPO in last 4 Years who was come from many universities/colleges.

Vocational Training/Skill Development Program

Vocational training courses – Tailoring/Dairy/beautician/ handicraft / training Classes : Balajee Sewa Sansthan take up a systematic approach to conduct vocational training courses and provide necessary opportunities for skill development and overall development of learners. For the means of providing employment women must be given a skill set to be able to earn a living. Diploma courses in sewing- Tailoring, Beautician were conducted in the year 2019-20. The objective of these courses is to impart skills for employment and also develop entrepreneurship among women. With support of our generous donors like Give India Foundation for collecting donation from individual as well as corporate donor on their platform for fashion designing course of poor , with which we have trained more than 100 women this year.

After completing the successful training, Balajee Sewa Sansthan also arrange the credit to start the enterprise either by loan from Balajee or from any nationalized or rural bank. We will further help the people in providing backward as well as forward linkage for goods & services manufactured.

Balajee Sewa Sansthan organised one LEDP program on Dairy and animal husbandry in Doiwala block in which 150 old SHGs members become entrepreneur. BSS running one tailoring training centre in Dehradun while one computer training in Patna district for poor students and girls of SHGs members.

Our next aim is to start Government funded Skills Training programs in partnership with industries to fulfill specific job requirements that will benefit the partners for manpower as well as the trained women. For the Overall development of the learners a mandatory training on soft skills, presentation skills, and personal hygiene will be given to inculcate a work ethic and sense of personal worth and responsibility.

Digital Going

Digital Financial Literacy Program

In urban areas people know and use various modes of digital transactions. They are aware of making payments by cards, internet / mobile banking and using it to some extent. But the concept needs to be made popular in semi urban/ rural areas where large number of people is still using cash for making payments etc. To take concept of digital transaction to the semi urban/ rural areas District Cooperative Bank asked us to conduct 69 such workshops in Dehradun district to educate people about digital mode of payments. People were advised to Making payments by cheques, drafts, remittances by NEFT , RTGS . Live demonstration of transactions representing sale / purchase by POS machine was shown by balajee team They were also told about the precautions that they should take while making online or cash less payments.

Balajee Sewa Sansthan organized 1046 FLP and dFLAP workshop in Uttarakhand, Bihar and in Uttar pradesh till March 2020 with support of NABARD, Uttarakhand Gramin Bank, DCB Dehradun and Haridwar, Uttar Pradesh Baroda Gramin Bank, Bareilly and with other banks. More than 67000 people benefitted through this campaign.

Financial literacy program organized by Balajee Sewa Sansthan sponsored by Reserve Bank of India with support of NABARD and Lead district Manager, Dehradun for the benefit of SHGs, FC and FPO members of Rural area.

Balajee Sewa Sansthan-Activities

“Livelihood finance: For economic development of the Poor”

“Microfinance” is often defined as financial services for poor and low-income clients. In practice, the term is often used more narrowly to refer to loans and other services from providers that identify themselves as “micro-finance institutions” (MFIs). Typical microfinance clients are poor and low-income people that do not have access to other formal financial institutions. Microfinance clients are usually self-employed, household-based entrepreneurs. Their diverse “microenterprises” include small retail shops, street vending, artisanal manufacture, and service provision. Microfinance involves number of steps right from survey of the localities, meeting with potential clients, need assessment survey, Group formation and compulsory training of the clients, loan disbursements and regular weekly meetings for loan recovery and follow up.

Micro lending is done in a group of five clients which is known as Joint Liability Group (JLG). Loans are disbursed to the individual clients and members of the JLG stand as a surety for repayment by the members of that group. MFIs disburse Micro loans in cash and recover that in cash in monthly meetings. Personal touch with the clients through out the loan cycle and each member of the group guaranteeing repayment of other members in that particular group ensures full recovery of the loan amount. Our recovery rate is 99.88% and it shall be our endeavor to keep it at this level.

Last Year 2019-20 Uttarakhand Gramin Bank Prem Nagar Branch renew sanction of 10 Lac as CC Limit Dehradun district of Uttarakhand. BSS team disburse Rs. 137 Lac in last financial years among women beneficiaries and only 0.12% NPA or default counted in the year.

In last year no any new loan sanction for the program while RMK and UCO bank given term loan in last financial year.

Himalayan Gram: Raithal: A new Tourist Designation

Himalayan Gram, a tourism venture of Balajee Sewa Sansthan envisions improving the livelihood of the villagers by generating secondary income in means of rent paid by tourists for staying at their home. Tourists will be staying at the house of villagers and interacting with them to get to know the culture and traditions of Raithal and enjoy the local food. Rooms that will be provided to the tourists are renovated with all the necessary amenities such as blankets, bed sheets, pillows, carpets, western toilets and dining set etc.

Project has sustained and become one of the model village of Rural Tourism and home stay in Uttarkashi. More than 20 new farmers registered in home stay act and started successfully his tourism activities in Raithal village.

Consumer Awareness Program

Companies take advantage of consumers' ignorance or reluctance to ask questions about the product, take action in case of defect/ deficiency in goods or the services and continue cheating the people. Of late we have been asking people to raise their voices against such malpractices and ask for the right price of money paid by them. The NGO has been spreading the message on consumer awareness and rights of the consumers in many districts in Bihar, Uttar Pradesh and Uttarakhand. Financial literacy campaign gave us an opportunity to talk to people in more than 70 villages and beware of misleading offers especially in investments' and mutual funds. Consumer awareness essentially remains a topic of discussion in all our community mobilization programs. The NGO has made a point to help its members raise concerns of the deficiency in service or the product before appropriate forum. They also aware about the online banking fraud.

A Step towards a better environment

Renewal Energy: Solar lamp Distribution Program

BSS has distributed 800 solar lamps among poor school going girls and widow women in the Patna, Ara district by volunteers. Bihar state of India has an erratic power supply and in some places it is available for few hours . There are still many villages where electricity has not reached. Poor People are forced to use oil/ Kerosene lamps to perform their daily activities. Keeping the scenario in mind, Balajee Sewa Sansthan provide an affordable means of power supply to these people do their basic works life cooking, going to washroom, for children to study etc. From 2016, every year organisation provided solar lamps to the people belonging to these areas, specially to women and school going children by identifying their economic background.

Solar power can supply them electricity at night thus reducing dependence on kerosene or oil. The lamp shall not only light their homes, but it can charge mobiles.

Computer Training Course for Rural Unemployed youth in Bihar

Maternal health program

BSS conducted Block and Village level camps on maternal health among our SHGs members in Dehradun, Haridwar, Bareilly and Patna District. In this program organization stressed upon health of women during pregnancy, childbirth, and the postpartum period. It encompasses the health care dimensions of family planning preconception, prenatal, and postnatal care in order to reduce maternal morbidity and mortality. While there has been a decline in world-wide mortality rates much more has to be done. The effect of a mother's death results in vulnerable families, and their infants, if they survive childbirth, are more likely to die before reaching their second birthday. Participants were told be in touch with local health workers and discuss problems faced by them without hesitation. BSS also promote and aware for sex ratio of girls child and additionally aware the people about PCPNDT act.

आर्थिक उन्नति के लिए शिक्षा जरूरी : रामकृपाल

मनेर (आससे)। रविवार को मनेर के मोहनपुर में बालाजी सेवा संस्थान द्वारा निर्धन बच्चों के बीच सोलर लैंप व शिक्षण सामग्री के वितरण समारोह में पहुंचे स्थानीय सांसद सह केन्द्रीय मंत्री रामकृपाल यादव ने कहा कि निरक्षरता किसी भी समाज के लिए अभिशाप है। शिक्षा सभी बुराई को दूर करने में मदद करती है। समाज में जहां महिलाओं को 20 वीं सदी के अंत तक शिक्षा से वंचित रखा गया है, वहीं अब महिलाओं को शिक्षित करने के लिए विशेष अभियान और योजनाएं आयोजित की जा रही हैं, उन्हें आगे लाने के लिए और समाज के समग्र विकास की सुविधा प्रदान की जा रही है। अति प्राचीन काल से, भारत समाज के पूर्ण विकास के लिए शिक्षा के महत्व के प्रति जागरूक रहा है। वैदिक युग से, गुरुकुल में पीढ़ी दर पीढ़ी से शिक्षा प्रदान की जा रही है। यहां शिक्षा केवल वैदिक मंत्रों का एकमात्र ज्ञान नहीं था बल्कि छात्रों को एक पूर्ण व्यक्ति बनाने के लिए आवश्यक व्यावसायिक प्रशिक्षण भी जरूरी था और इसी के लिए हमारी सरकार द्वारा

व्यावसायिक प्रशिक्षण भी दिया जा रहा है। वहीं उन्होंने कहा कि बिहार का विशेष ध्यान रखते हुए प्रधानमंत्री नरेन्द्र भाई मोदी की नेतृत्व वाली सरकार ने यहां के गरीबी रेखा से नीचे गुजर बसर

करने वाले 16 लाख लोगों को प्रधानमंत्री आवास योजना के तहत मकान बनवा रही है। उन्होंने नौज स्वयं संस्था के द्वारा किये जा रहे कार्यों की सराहना की। मौके पर नरप पाण्डे संजय

सिंह, मनीष कुमार उर्फ मोनु, संस्था के सचिव सच्चिदानंद सुषोम अशोक पाल, विशाल यादव, मोनु कुमार, अंजु कुमार, मीरा कुमारी, अमर ज्योति, दुन्दुभ कुमर, अमित कुमार समेत अन्य मौजूद थे।

बालिकाओं को सोलर लैंप दिया

संवाद सूत्र, बड़हरा (भोजपुर) : देहाती क्षेत्र में बिकली के अणय के बीच पढ़न-पाठन करने वाली साधनहीन बालिकाओं को पढ़ाई में मदद करने को लेकर मटुकपुर पंचायत स्थित बाला जी सेवा संस्था ने सोलर लैंप का वितरण किया है। संस्था अपने पंचायत अंतर्गत विभिन्न गांवों को कुल 50 साधनहीन बालिकाओं के बीच सोलर लैंप का वितरण कर समाज में एक उदाहरण पेश किया है। ताकि बालिका शिक्षा को लेकर केन्द्र सरकार की बेटी पढ़ाओ, बेटी बचाओ मुहिम को ताकत मिल सके। मौके पर सचिव विशाल कुमार, राजकपुर तुफानी, नन्द किशोर, अनिल, लक्ष्मण, रीता कुमारी, कपिल सोनी, सनेज यादव, छोटे बाबा आदि ने महत्वपूर्ण सहयोग प्रदान किया।
